

Instructions for the Submission of Applications via OLAT

July 11rd, 2017

Submission of Applications to the Ethics Committee via OLAT

Starting December 1st, 2011, we ask all applicants to submit their applications on OLAT as well as sending a hardcopy to the president of the Ethics Committee.

The URL for the OLAT platform of the Ethics Committee of the Faculty of Philosophy is as follows:

<https://www.olat.uzh.ch/olat/url/RepositoryEntry/4558225412>

The “course” can also be found by typing “Ethikkommission” (“Ethics Committee”) into the search form. In this “course” you will find the following folders:

- Formulare (“Forms”): Documents and forms for users
- Einschreibung (“Registration”): New applicants must register first
- Antragstellung (“Submission of application”): Upload of applications
- Forum: (currently not being used)

Once you have signed up for OLAT, you are able to upload your application together with any additional documents. To this end, you can find a sub-folder in the folder “Antragsstellung” for the upcoming committee meeting.

We ask that all documents (application & addenda) be uploaded as **one single pdf-file**.

A table of contents is helpful in case of an extensive application containing many individual documents. In the application please reference any additional documents by their title or their serial number.

Applications should be written in uniform language (German or English).

Once the application has been processed, you will receive feedback via e-mail.

Please don't forget to send a hardcopy of your application to the president of the Ethics Committee by regular mail.

Contact/Address

Prof. Dr. Klaus Oberauer
President of the Ethics Committee
Institute of Psychology
Binzmühlestrasse 14, Box 22, 8050 Zurich
